PREFACE.

The following notes on the Registers of Blewbury, as well as the transcription of the two volumes here printed, were made by Joseph Forrest Fry, Esq., late of Upton (the adjoining village to Blewbury), shortly before his death in 1907. He had hoped to have seen this Register printed in his lifetime, but circumstances prevented the accomplishment of his wishes.

EDW. ALEX. FRY.

Volume I. The first portion of the Blewbury Register consists of a parchment volume, in fair condition, measuring 12½ inches by 8¼ inches, and containing 59 parchment leaves, or 118 pages, of which eight are blank, or nearly so, viz., 40, 41, 56, 57, 73, 103, 117, 118.

Page 1 to 72.—Baptisms from 14th April, 1588, to August, 1674. Pages 40, 41, 57 are blank. Page 56 has one entry which is repeated on page 58.

Page 73 is blank.

Page 74 to page 102.—Burials from 10th August, 1588, to 30th December, 1674.

Page 103 is blank.

Page 104 to 116.—Marriages from 29th August, 1588, to 1628, and from 27th June, 1631, to 1674
There are no entries from 1628 to 1631.

Pages 117 and 118 have been cut in half longitudinally, and have only one imperfect entry of a baptism without date.

On the outside parchment cover is inscribed the following :
/Blewberry Register/Baptisms/Burials/&/Marriages/from A.D.
1588/to A.D. 1674./

Vicars.—Only three are mentioned in this volume, viz. :
John Hope, from 1599 to 1622 ; buried 19th April, 1622. John
Bradford, from 1622 to 1629. John Sampson, from 1629 to
1642-3 ; buried 11th January, 1642-3 ; he married, 25th July,
1627, Dorothy Bradford.

During the incumbency of these three vicars the register has
been kept with care and tolerable regularity, but after 1640
it seems to have fallen, for the most part, into the hands of
illiterate men, whose writing is often difficult to decipher.

The Register of Baptisms from 1674 to 1720 is missing.

The only record of a portion of this period now apparently
existing is that found in the Upton Register of Baptisms, from
1701 to 1716, already published by the Society, volume viii.

Volume II is a paper folio book bound in vellum, 16½ inches by
10½ inches, in fair condition and legibly written.

Baptisms occupy pages 1 to 57, from 1720 to 1783. Burials
begin from the other end, occupying pages 1 to 75, from 1720
to 1813 ; only one entry in 1813. Marriages follow burials,
pages 78 to 162, from 1720 to 1789.

On page 76 is a revised scale of fees, dated 22nd August,
1826.

Page 77 is blank.

After page 77, about 32 leaves have been cut out.

On the inside of one cover is pasted a table of fees, dated
10th July, 1770, and on the inside of the other, dated 27th May
1685, an agreement as to the apportioning of expenses between
the several villages of Blewbury, Upton, and Aston Upthorpe,
followed by two notes dated 12th April, 1687 and 1759.

Copies of these two documents and of that referred to above
on page 76, are given at the end of the copy of the Register.

Vicars mentioned in this volume are as follows :—

Joseph Acres, from 1699 to 1720 ; subsequently Rector of Newbury.

John Webb, from 1720 to 1758 ; buried 23rd December, 1758.

Humphrey Smythies, from 1759 to 1781.

John Keble, from 1781 to 1824, father of the author of "The Christian Year." In 1782 he appointed the Rev. Morgan Jones as his curate-in-charge, who held the post for about forty-two years. This was the well-known miser, of whom an account is given in the *Annual Register* for 1827, and also in Hone's *Table Book*.

On the outside of one cover is inscribed the following :—

"Baptisms, 1720-1785.

Blewberry Register.

John Humfrey, } C. Wardens."
Henry Slade, }

On the outside of the other cover the following :—

"Burials, 1721-1812,

and

Marriages, 1720-1789."

A Digest of the Parish Registers

WITHIN THE DIOCESE OF WORCESTER,

Issued by the Committee of Parish Registers,

By Authority of the WORCESTER DIOCESAN CONFERENCE.

This Digest has been prepared under the direction of a Committee appointed at the Diocesan Conference, held at Birmingham, in 1896, and has been completed from the original Returns supplied by the Incumbents of the Parishes within the Diocese. The dates when each Volume of Registers commence and end, the number of leaves, material on which they are written, and the size and general condition, are all clearly stated under each parish.

Added to all this useful information is a table showing for what years in every parish the Bishops' Transcripts, previous to 1700, are now in existence in Edgar Tower, Worcester.

As only a limited number of copies has been printed, early application is necessary to secure a copy.
